You may sign the absentee ballot application yourself, or you may make your mark and have your mark witnessed in the spaces provided on the bottom of the application. Please note that a power of attorney or printed name stamp <u>is not allowed</u> for any voting purpose.

When your ballot will be sent:

Your absentee ballot materials will be sent to you beginning 46 days before federal, state, county, city or town elections in which you are eligible to vote. If you applied after this date, your ballot will be sent immediately after your completed and signed application is received and processed by your local board of elections. If you provide dates in section 2, identifying the time frame within which you will be absent from your county or from the City of New York, you will be sent a ballot for any primary, general, special election or presidential primary election which might occur during the time frame you have specified. If you prefer, you may designate someone to pick up your ballot for you, by completing the required information in section 6 and/or section 7, as appropriate. Contact your local county board of elections if you have not received your ballot.

How long your application is good for:

Unless you have indicated a permanent illness or disability, you will only receive an absentee ballot for the specific election event(s) indicated on your application, or during the dates of your stated absence, for a given calendar year.
